Interest Survey for HWRSD Diversity, Equity, and Inclusion Advisory Committee

September 9, 2021

Dear HWRSD Students, Faculty, Parents, and Community Members,

In June the Hamilton-Wenham Regional School District adopted four **district goals** that will guide our mission and visioning work over the next year to develop a 5-year Strategic Plan. **GOAL 3** is designed to ***Understand and respond to district challenges related to Diversity, Equity, and Inclusion (DEI)***.

As part of this work, our District will be examining our practices, policies, and understandings of Diversity, Equity and Inclusion in our schools and community.

To support this endeavor, we are inviting you to consider participating on the DEI Advisory Committee. Please access this [survey](#) for further information and to indicate your interest. For more information about this District goal, please [click here](#).

Sincerely,
